

## 2012 Tapestry House Vendor Packages

These packages are a great way to save time and money! Tapestry House will choose some of Northern Colorado's premiere wedding vendors to complete your wedding dreams and create a smooth flowing event. Take the stress out of planning your wedding and have Tapestry House handle all of the details, allowing you to enjoy the wedding bliss.

Vendor Packages were created with the busy bridal couple in mind. These are packages for couples that want minimal involvement in organizing the details of their big day. Let Tapestry House handpick your vendors based on your personalities and priorities for your wedding.

Not all of the vendors on our "Recommended Vendor List" have agreed to be a part of our packages. Some of the vendors did not feel they could provide the services at the price we were asking for. For that reason, please DO NOT contact any vendors regarding the packages until Tapestry House staff has given you their contact information. There is NO tasting included in the packages as far as the catering menu goes. You may be able to have a tasting for a nominal fee depending on the catering menu you have chosen. As far as the wedding cake, the tasting IS included in the packages.

The deposit to book a date with a vendor package is \$2,800.00. Of that amount \$2,050.00 goes directly to your event balance. That is the amount Tapestry House uses to secure your vendors for your date. The remaining \$750.00 of that deposit Tapestry House will hold on to as a security deposit in case of damages, extra people, or overages. The remaining amount of that \$750.00 portion of the deposit will be returned to you within 30 days after your event.

40% of your total vendor package will be due 180 days prior to your event date. The remaining balance of your package will be split into 2 payments. The first half of the remaining balance is to be paid 90 days prior to the event. The second payment is to be paid 60 days prior to the event. That last payment is where the \$2,050.00 from the initial deposit is to be applied. So that second payment is half of the remaining balance less \$2,050.00. Any per person overage charges, taxes, upgrades or other fees will be invoiced to you to be paid one week prior to the wedding. For weddings with less than 6 months notice, please see Tapestry House office staff for alternative payment options.
